FROM OUR PRINCIPAL'S DESK

Dear LWA family,

The month of April saw all the classes back to School in the new academic session . The first special assembly on Earth Day by the senior students, gave a smart and positive start .The students of class 10&12 are all set for their term 2 exams, and we wish them success to come out with flying colours.Sessions on mental health post COVID being the need of the hour , shall be a continuous feature at LWA.As we break for a much deserved summer vacation, here's wishing you all happy reading of this edition of our monthly newsletter.

-Ms.Santhi Swaminathan

Blessings from the Almighty - Class X and XII

Every year a special prayer is organized for the students of Class X and XII before they appear for their board exams. This year too the visit was organized to get the blessings from the Almighty. As the saying goes "Prayer brings Victory"-A spiritual prayer and offerings were done at Unihomes Ganesha Temple for our students. Our Principal and Team of Teachers from LWA performed the Pooja. It was an amazing and pleasant day for all.

"There are no secrets to success. It is the result of preparation, hard work, and learning from failure".

Scouting and Guiding

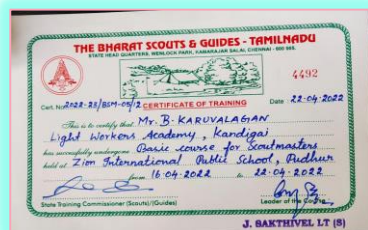

Scouting and guiding is an approved type of character training and preparation for good citizenship designed for the benefit of boys and girls. The aim of Scouting and Guiding is the formation of character, sound health habits, training in the handicraft and to acquire useful skills and cultivation of proper spirit of service efficiently.

Cubs and Bulbuls is the first lap in the journey towards scouting and guiding. Character building is its aim. Instilling self – discipline and thoughtfulness for others is the major focus. It prepares the boys and girls to take up bigger tasks in scouting and guiding and also helps in their mental and physical growth.

Scouting helps to develop young people physically, intellectually, socially and spiritually. Annual scouts and guide camps are held where in students go outside the school and learn to give in a group getting accustomed to the prevailing environment. They learn co-operation, camaraderie, group dynamics, sportsmanship and some life skills to live peacefully in any situation.

Mr.Karuvallagan our Physical Education Teacher has successfully completed the 7 days training for **"Scout Master"** held at Zion International Public School from 16/4/2022 to 22/4/2022 conducted by "The Bharat Scouts and Guides – Tamilnadu".

Our LWA has a wonderful sports team including scout master, cub master and flock master.

Earth Day activity— class II - V

Lightworkers Academy celebrated "Earth Day" on April 22nd, 2022 to create an awareness about the importance of protecting our planet. The theme for this year is **"Invest in Our Planet"**. Each one of them took a pledge to save Mother Earth. Poster Making activity was conducted for the primary students of LWA. Students actively participated and displayed their artistic skill. The day aims to spread awareness and bring people together to protect the environment, which is undergoing rapid changes. It's our vital need to protect our planet from pollution by taking part in activities like planting trees. This is the day on which we are supposed to focus on the factors affecting the environment from air pollution to climate change.

Class II - V

Earth Day Special Assembly - class XII

Earth day, also known as International Mother Earth day, is celebrated each year on April 22. The main aim is to raise awareness about the growing concerns of overpopulation, loss of biodiversity, and depleting quality of the environment. It is celebrated to shed light on the environmental issues which are surrounding our planet and take actions to save the environment. This year theme **"Invest in our planet"** highlights the need for people to come together and start taking measures to protect biodiversity and the planet. Earth Day is an important day for people to take time out of their busy lives and consider the impact that humanity has on the environment and for taking necessary steps to minimize the impact. As a result, we all can live happier and healthier lives. Our Class XII students presented a "Special Earth Day assembly" in order to motivate our students to bring a better and healthier earth in future.

Class XII

AHFI Public Charitable Trust Session for LWA Teachers

A session was conducted for the teachers of Light Workers Academy on 24th April 2022 by AHFI public charitable trust. The main vision of the session was to throw some light on the psychological management of students of adolescence period and also to strengthen the mental and physical capacities of the teachers. The speaker of the session was **Dr. Sree T. Sucharitha M. D**, Fellow in HIV Medicine, Professor-Community Medicine, and Research Coordinator-Central Research Lab, Tagore Medical College and Hospital, Rathinamangalam. The speaker addressed all the teachers of LWA and following were the main topics of discussion.

- ❖ Effective class control
- ❖ Handling students with special needs
- ❖ Stress management
- ❖ How to handle adolescents behavior post COVID
- ❖ How to guide the parents and the students regarding the usage of gadgets.

The session also discussed the report of the online survey conducted by AHFI for the teachers of LWA. The survey result showed that most of the teachers of LWA are leading a satisfied teaching career. The survey result also emphasized the importance of physical exercise, meditation, regular health checkups and healthy diet for the teachers to improve their health, to manage the stress and hence to excel in the career. A similar session was **organized for the students** on the month of March 2022.

The session was very informative and useful.

Talent corner – Essay competition

Essay writing is an art, which brings out your writing skill. It is an art, through which you pen down your knowledge and perception about the given topic. Essay writing encourages young people to cultivate the characteristics that turn good students into great writers: independent thought, depth of knowledge, clear reasoning, critical analysis and persuasive style. Our LWA students had participated in the essay writing competition conducted by the **EBSB – Ek Bharat Shreshtha Bharat club of IIITDM Kancheepuram** on the topic **“Life and Teachings of Shri Guru Tegh Bahadur”** under Junior section - English . **Kavya S K, S.Thirisha Darshin, Archiddha G,** students of Lightworkers Academy, secured first, second and third prize respectively.

S.No.	Position	Name of the Student
1	First	Kavya S K
2	Second	S.Thirisha Darshin
3	Third	Archiddha G
4	Consolation Prize	Dhanesh Arvind
5	Consolation Prize	P A Paargavi
6	Consolation Prize	Kavin C
7	Consolation Prize	Tharunezhi
8	Participation	Vivian Osborn
9	Participation	Joshua Danni
10	Participation	Krisnapriya Vats

Cultural Programmes of LWA Team

Cultural activities play a key role in the overall personality development of an individual. LWA gave an opportunity to express the hidden talents of their Teachers in an impressive way. Teachers - being part of a group activity, such as learning a dance routine, promotes the importance of teamwork and develops the ability to work successfully in a group environment.

Orientation for LWA Parents

NUR-PREP

Orientation for Nursery and preparatory parents was conducted on 20th April 2022 between 10 am to 11am at our School premises to convey the objective and methods of teaching adopted in our school. Many parents of Nursery and preparatory showed their interest in attending the session. The session was started with "Tamil Thai Vaalzthu". Welcome speech was given by our Principal Mrs.Santhi Swaminathan. Introduction given about the subject handling teachers of Nursery and preparatory. Powerpoint presentation was presented about LWA Motive, curriculum for Nursery & preparatory, activities of Nursery and Preparatory, class room rules, display of online activities, about FM radio, parental guidelines, LWA uniform pictures. Vote of thanks was given by Mrs.Buela Gracy. The orientation programme concluded with National Anthem.

Feedback Corner

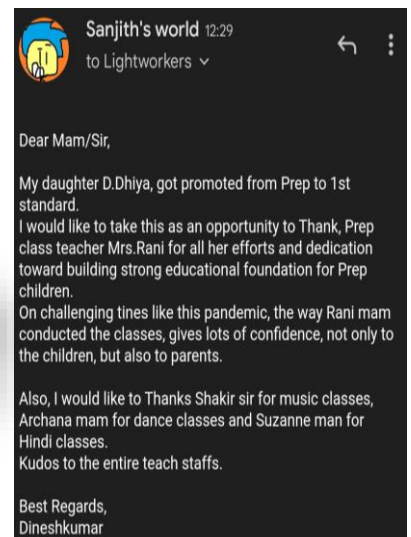

Hi Buela Mam,

We are parents of S.G.Aadhira. I would take this opportunity to congrats you and the way you teach to our kid from the bottom of our hearts. We really like your teaching and literally see the growth of my kid in studies. She really like you a lot. When she went to school the star/small craft work given to kid was really good and we felt motivation in my kid.

Since it was on pandemic she had only online n we felt we missed the interactive part as going to school different from online.

We wish you all the best in your teaching career.

Thanks,
Gomathi & Sujees

Feedback Corner

I want to first thank you for your patience and understanding during online classes. Being a working parent for twin toddlers, it was a really challenging time for us to educate the kids on online mode of teaching and also make them sit through the class. I really appreciate the way you went extra mile and arranged the kids to come to school and gave them special attention. It actually helped them when they transitioned to offline classes. Both Tiya & Dhruv is always excited to come to school. There was never a bad tantrum day to come to school.

Tiya did have difficulty or rather less interest in writing, but within couple of days of offline classes she got the interest and it became easy for me to make her sit and do writing practice. Each and every kid is unique and as a parent I really appreciate the way you handled each of them online & offline. If I have to suggest something then it would be the syllabus for online classes. I think in online mode of teaching the syllabus has to be little lenient, so all kids will be able to catch up. But hope we won't be going back to online teaching and we will continue to be in offline teaching. Thank you so much for all your effort, patience and understanding. My kids adore you. Everyday they tell me they got star from Buela Mam and they are very happy and proud to show it. Thanks.

Kowsalya.

P/O-Nursery student (Tiya and Dhruv)

Nursery

I am Dallia, parent of Sharan Aadhit nursery batch (2021- 2022). I am not good at making videos so I am drafting this message from the bottom of my heart. We are very happy to see the changes in Sharan during the offline classes it was may be around 10 to 12 classes only but the changes are tremendous he started to speak in English with us. He had learnt lot of things in this short period which I really struggled in infusing in him. We really missed the offline classes the school could have started little earlier. The way you took the online classes were also very good. We as a parent learnt many parenting techniques. You helped us in making him write and you taught me how to bring up the kid in their own way and it really helped me in day to day life . Apart from the regular classes you took lot of effort and gave us extra care in his writing practice thank you so much.

We will miss the wonderful rhymes in your voice. You have got an incredible voice which has a magic of pulling people towards you. I have learnt lot of art works from you that's really enjoyable along with the kids. You are so dedicated towards your work. Your patience and hard work is the key for your success. Keep rocking as always. All the way from Anna Nagar to Nallambakkam everyday is not an easy task and you doing it for more than 7 years hats off(I can't even imagine). It's shows your dedication and hard work. Continue the spirit. God bless you forever. Thankyou so much Buela mam. Your blessings is always required for Sharan Aadhit. Keep in touch.

With love Dallia Dinesh.

P/O-Nursery student (Sharan Aadhit)

THANK
YOU
