FROM THE PRINCIPAL'S DESK

Dear LWA family,

The LWA campus rejuvenated as the Students and Staff returned back in Jubilant June. We are happy to welcome many new students on campus this year. The activities of Student council elections, International Yoga Day, Farewell for the outgoing batch of 2022 and vaccination drive for the age group of 12-15 were conducted. The in-house club activities of Karate, Silambam, chess, art and craft and needlework are in full swing. Scouts and guides, cubs and bulbul and sports coaching shall resume soon. As we resume our operations with the safety precautions intact, we wish you all a joyful reading of this edition of our monthly newsletter.

- Ms. Santhi Swaminathan

INTERNATIONAL YOGA DAY CELEBRATION

The International Yoga Day was celebrated at LWA on 21st June 2022. Mr E Velu, The Inspector of Police was the chief guest. The program was organized by our Principal Ms Santhi Swaminathan. The celebration started with a prayer, followed by Welcome Address, Speech on Yoga day , Nukkad Natak , Yoga display along with the benefits of asanas ,Special yoga display by the student of class 8, Introduction of the chief guest was given, followed by Chief Guest Address, which was a motivational speech to practice yoga daily and regularly. The Celebration was concluded after the delivery of the vote of thanks and singing of the National anthem.

SPECIAL ASSEMBLY- DRUG ABUSE AND ILLICIT TRAFFICKING

Morning Assembly undoubtedly holds the numero uno position out of all the routine activities in a school. Probably it's the first platform which is provided to young minds for boosting their confidence towards public spirit in their nascent minds.

Keeping up the same, the students of class VIII A conducted their special assembly on 27th June and observed the theme "Day Against Drug Abuse and Illicit Trafficking".

Assembly commenced with the morning prayer which is believed to provide peace and serenity to our minds and souls and was followed by the speeches in English, Tamil and Hindi on which the students expressed the negative effects of using drugs and the ways to control it. A thought for the day was rendered which was preceded by Thirukkural and News reading. The posters were displayed by the students showing the ill effects of drug abuse.

The students had put up a mesmerizing mime performance which depicted the theme with their magnificent dramatic performance, brilliant gestures and body movements. The students left an impact on audience spreading social awareness on the theme "Day Against Drug Abuse and Illicit Trafficking".

In the meantime of the session, the candidates standing for election for the posts of House captain, Activity captain and School Pupil Leader presented their manifesto. Our principal addressed the gathering and motivated the students and the candidates with her encouraging words of wisdom. The Assembly culminated with scripture reading followed by National Anthem.

SOCIAL SCIENCE ACTIVITY

Class VIII B

Knowing about the British Administration in India is quite interesting. Here are the students of class VIII presenting a group project on some of the Governors General of British India who implemented many policies and systems which led to major political and social changes in our country..

VACCINATION DRIVE

LWA had administered vaccinations for the age group 12 -15 on 30/06/2022 at the school premisis by the public health centre, Nandivaram.

STUDENTS' ACHIEVEMENT – ROBOTICS WORKSHOP

Joshua Danni and R.Ananya of class 10 bagged the "Best Performer" title among the top 5 in the Summer Camp on Robotics held at IIIT DM during 15-20 May 2022.

SCHOOL ELECTION

Students are the pillars of the society. The development of leadership skills and behavior in our students is the key priority for the school. LWA endeavor to build up leadership quality within students in all facets right through their school life.

A student leader is any student who takes on the responsibility of spreading knowledge through inspiration, appreciate genuine efforts and nurture positive thoughts among young ones.

School Pupil Leader Election was conducted in LWA to teach the procedures and significance of elections. Students of grade XII were nominated for the post of school head boy. Students from grade VI to XII casted their votes to elect their leaders. Election was organized in a novel way by using the election software designed by our alumni students Tejas and Sashwath. The election was conducted to create awareness among the students to use their rights in the right and democratic way.

FAREWELL

LWA bids farewell to the batch of 2022

Farewell is basically a get to gather kind of celebration for the seniors who will be stepping in to the college. Hence, juniors wish their seniors a good luck for their next big adventures in the form of singing, dancing, wishing and felicitating them.

The farewell for XII batch 2022 was held on Saturday, 25 June 2022. The students of class 9,10 and 11 with the help of teaching and non-teaching staffs arranged a fun filled farewell party. The 25 June afternoon echoed with the blessings for the batch of 2022 as LWA family came together to bid goodbye to the outgoing batch of class XII students. The day was a fiesta devoted to the years spent together with friends and teachers to reminisce the joyous moments of the wonderful years on this campus.

The celebration started with the prayer song. The important event of the day is "The Titles" wherein the seniors were given their names according to their personality and talents. Juniors astonished the seniors with their fun moments of school life of class XII. Several games were conducted for the seniors. The program was taken forward with the most awaited part of the day "Cake Cutting".

Finally, it was for the students to enjoy the D.J session. The day was memorable one both for the outgoing batch and for the teachers too. There was a lot of emotions and nostalgia as students took photographs around the school building where they had spent their childhood.

CLUB ACTIVITY – ART AND CRAFT

Club activities supplement academics and these activities focus on experiential learning for the students. At LWA, there are a wide range of club activities like Art and craft, chess, karate and silambam. The club activities are conducting during school hours. In Art and craft club, the child's potential and talent is brought out in an art form.

SESSION ON SPECIAL EDUCATION NEEDS

A useful session on Special Education needs in the class was conducted by Rani D, LWA faculty on 18th June 2022, Saturday. The session covered topics like how to handle children with special needs in a classroom. There were healthy discussion about the children among primary teachers and valuable points were shared with teachers to develop a child's overall skill which is a key factor in the present scenario.

EMOTIONAL DISTURBANCE

- ◉ Centre for Parent Information and Resources lists 6 types of emotional disturbances:
- ◉ anxiety disorders,
- ◉ bipolar disorder,
- ◉ conduct disorders,
- ◉ eating disorders,
- ◉ obsessive-compulsive disorder (OCD), and
- ◉ psychotic disorders.

PARENT FEEDBACK

Mathematics in space science

Siva Prasad Yesterday

to me ▾

Dear Madam,

The summer vacation homework you assigned to class V kids was very good. I was especially attracted to the project work on "Mathematics in Space Science". I continued my search further and came across a couple of websites of NASA. Please find them below. It might be useful for the students, parents as well as teachers. I will keep you updated on this front as and when I get some more information.
