FROM OUR PRINCIPAL'S DESK

Dear LWA family,

Fabulous February featured the successful LPL Juniors sports meet and National Science Day exhibition. Our archery team coached by Shining Stars academy, bagged many prizes in the inter school events. A two day medical camp and growing up education was imparted to the students by the doctors of Tagore hospital. As a social responsibility drive, our students and staff generously contributed provisions to a Children's orphanage and the Scouts & Guides involved in a Temple cleaning drive. An all faith prayer and pooja was organized for students of classes 10 and 12 to pray and wish for their success in the board exams, 2024. Dear readers , do enjoy our newsletter of February and send in your wishes and valuable feedback to enable us to grow from strength to strength .

LPL 2024 – JUNIORS

“A trophy carries dust. Memories last forever” – Mary Lou Retten

To create the memories for the students, Lightworkers Academy, Nallambakkam hosted the Annual sports day exclusively for the primary school students on 17th February 2024, Saturday in the school ground.

Dr. Rajeshkumar, Assistant Professor, Department of Physical Education, Tamilnadu Physical Education and Sports University, Chennai was the chief guest of the day. The Principal of LWA welcomed the chief guest along with the School Scouts and Guides color party and led the chief guest to the stage.

The morning was filled with great zeal and excitement among the students. The parents were cordially invited to the event. The event started with Tamil Thai Vazhthu and flag hoisting. The primary students of classes III, IV and V did a magnificent march past, followed by torch lighting and oath taking.

Classes Nursery and Prep displayed a colorful performance for gummy bear song. Classes I and II did an amazing display using hoops, which was followed by the prize distribution. Silambam and Karate, brick breaking displays added splendor to the event. Class IV and V girls mesmerized the audience by doing a human pyramid. 100 meters Running Race was conducted for the boys and girls of classes IV and V, followed by Relay Race – mixed for the students for classes IV and V. An event was conducted for the parents, and they were motivated by their kids. The winners were awarded with certificates and medals.

Dr RajeshKumar spoke about how education and sports go hand in hand in student's life. He appreciated the efforts of LWA for organizing an exclusive Sports Day for the Primary students. The event was concluded by Vote of thanks and the National Anthem.

Parent Feedback

Dear Madam ,First of all , thanks for the wonderful showcase of Science fair conducted last week. Students have displayed amazing projects (some are university level projects) and arrangements were excellent. Major improvement I have seen this year - you have intimated the date and theme almost 2 months back. Gives ample time to prepare well. Second, other schools like Maharishi Vidya mandir visited this expo and it motivated LWA students a lot! Gone are the days making projects in Cardboard & thermocol. I have seen almost all projects are built with IoT & Arduino stuffs. This shows, our students are adopting latest technologies and innovating brains. The confidence on their demonstration shows clearly that all were made by them with little support from their friends & parents. Very nice. Staffs are tirelessly roaming around inside hall and ensures crowd management as well as motivating students & visiting parents. Within few days exams scheduled, still teachers & students wholeheartedly worked for this success of this expo. Amazing & Kudos to them. Thanks to principal , management & staffs for organizing this event and kindly keep continuing every year. One suggestion: Please publish photo document of each and every display projects in your website as a separate page. Since we could not cover all projects it will help to rewind whenever we want. Second, this motivates students to compare and do further best on upcoming years. Third, it's a record for school for continuous efforts on science and will help to attain government awards and funds for assistance from government schemes for school betterment.

Medical Camp @ LWA

"Health is a state of complete physical ,Mental and Social wellbeing and not merely the absence of disease or infirmity".

An annual health-checkup was organized in the month of February at LWA.

The health-checkup was organized in association with Tagore Medical College ,Chennai. A Medical team of specialists from Tagore Medical College, carried out an extensive health-checkup on general health , dental and eye-checkup for Students and Teachers. Each student was given a health check-up card and prescription of the diagnosed problem. The camp was successfully organized under the guidance of our Principal mam Mrs.Sanathi Swaminathan.

Social Responsibility – Visit & Donation to Orphanage

“The life of a man consists not in seeing visions and in dreaming dreams, but in active charity and in willing service”.

To know the importance of helping others, the students of LIGHTWORKERS ACADEMY were involved in donating the groceries to the Christ Faith Home for Children and Women, Manapakkam to experience that helping has dual benefit- it provides support to those on the receiving end, it makes us, the helpers, feel better too.

The students and Teachers donated essential grocery items like Toothpaste, Toothbrush, Oil, Wheat flour, Sugar, Rice, Pulses, Rava, Maida, Detergent powder etc. The materials were donated to Mr Rajesh Kumar and Sunitha, in-charge of the home. They received the items and conveyed their sincere thanks to the Principal Mrs. Santhi Swaminathan, Teachers and the students of LWA.

“Giving is not just about making a donation. It is about making a difference”.

WE BELIEVE
IN MAKING
A DIFFERENCE

Scouts and Guides – Service Activity

"Service to man is service to God", the quote by Swami Vivekananda which means that selfless service for the cause of humanity as important as worshipping to God. As a part of service activity, Scouts and guides of LWA have involved themselves in temple cleaning. On February 5th, 2024, scouts and guides were taken to the Aanjaneyar temple in pudupakkam. The temple lies in the small hill and the students thrilled climbing the hill. After worshipping Lord Anjaneya, students had started their cleaning activity. All the stuff needed for cleaning were taken from school. They engrossed themselves in their activity and have done their work very perfectly. Temple priests felt very happy and blessed our students. With satisfaction, Our Students descended the hill and returned to school with sacred prasadam. Not only temple cleaning, scouts and guides involved themselves in cleaning our school garden and watering the plants as well.

All Faith Prayer was organized by the unit leaders of Scouts and Guides of LWA on 15th February, 2024 for X and XII standard students those who are going to appear for the Public Examination. The main aim of the prayer was to invoke the blessings of the God that will remove all the hindrances and make them face the board exams with confidence. Our Principal, Teachers handling class X and XII, Students, Parents have also joined their hands for Prayer. After the completion of the prayer, students and teachers have lit the candles. Eventually, our Principal Mrs. Santhi Swaminathan has given instructions to the students on how to prepare themselves for the board exam.

SOULFUL MOMENTS @ SIDDHIVINAYAGA TEMPLE

Every year the Students of LWA are taken to the temple, to seek the blessing of almighty before they write their board exam. This year also on Feb 8, 2024 the students of class X and XII were taken to Shri Siddhi Vinayaga temple which is located at Unihomes, Nallambakkam. Our principal Ms Santhi Swaminathan, teachers, students and parents worshipped for the good health and better results of the students. Prasadam was offered to all. Everyone could feel the vibrant and positive energy after visiting the temple.

KNOWLEDGE IS POWER

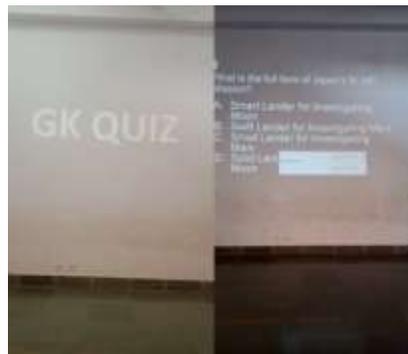

The SST department of LWA conducted The preliminary GK quiz competition on February 6th across the classes VI-IX.

The two top scorers of each class were selected for the final GK quiz competition which was held on 29th February on a memorable Leap day.

The participants are:

<u>Team A</u>	<u>Team B</u>	<u>Team C</u>	<u>Team D</u>
Meryl	Aaradhana	Sai Shravan.	Vishalini
Vetrivelan	Sarvesh	Aaron.	Priyanka
Riya	Isabella	Swaminathan	Sarabesh
Kisor	Lokesh kalbi	Aadithya	Shahzaad

The questions for the finals were taken from THE HINDU – Students’ edition. (January month). The aim was to make the best use of resources available to the students in school. The final quiz had 5 intuited and mind boggling rounds namely TAKE YOUR PICK- in which students picked one out of four interests (Space, Art, Sports, Politics), GUESS WITH CLUE, which consisted of picture-based questions, DOUBLE TROUBLE: Allowed the participants to take risk for a potential doubling of points, TRIVIA included various GK topics and RAPID FIRE ROUND, where the participants faced a swift paced challenge. The quiz ended with the declaration of results. The participants of the winning team were KISOR, MERYL, VETRIVELAN, RIYA. The non-participants of class IX had been a very good spectators in encouraging the participants. All the students enjoyed the quiz thoroughly and found it a very informative and knowledge enriching experience.

2ND OVER 60S INTERNATIONAL CRICKET WORLD CUP

The 2nd Cricket World Cup was being held in Chennai under the aegis of the Veteran Cricket India Foundation. The 12 teams participating in this tournament which was held between February 18th - March 2nd 2024, included England, Canada, South Korea, New Zealand, USA, Zimbabwe, the Rest of the World, Wales, India, West Indies, Australia, and Sri Lanka.

On 23rd February 2024, the students of class 6 to 11 witnessed the finals between the teams India and Rest of the World, which was held at the Wahe Guru Stadium in Uniworld City, Nallambakkam, Chennai.

The students had an opportunity to interact with some of the players from various countries and Ravi Raman Indian team Tournament Director of Veteran Cricket India Foundation (VCI). The students encouraged the players with great enthusiasm and were surprised to see the fitness and sportsmanship of the players at the age of 60.

The event was an inspirational event for both the teachers and the students.

“Age is an issue of mind over matter if you don’t mind, it doesn’t matter; age is just a number, but being young is an attitude.”
