# Grandparent's Day Celebration

Grandparents Day was celebrated by class 1 on 24th November. Grandparents are the family's strong foundation. Through their special love and care, grandparents keep a family close at heart. To honor them children made thank you cards with their fingerprints. The mother teacher of class 1 arranged some fun activities like 'banana feeding', 'musical chair', 'dressing up the child', etc., for grandparents to involve them. All the grandparents seemed truly happy.

It was a wonderful initiative to make the kids understand the importance of grandparents and how to show gratitude to them. the kids performed really well and the events organised had enthusiastic participation from everyone. Thanking the teachers and school management for organizing the event.

# High School Field Trip - Vellore

Students of class IX to XI were taken to the field trip to Vellore on 22nd November, 2023, accompanied by the teachers. We started our mirthful tour at 07:00 A M in the morning, eager to experience the pious and intellectual town of Vellore. Our first stop was at the Ratnagiri Temple of Vellore. We had to ascend the stairs, which was a 'BREATH-taking' experience indeed! Got blessings from God Balamurugan, and prayed for the health and prosperity. We also attended a Yoga session, did some Yoga Asanas and learned about its health benefits. Our next halt was at the Science Centre. We had the opportunity to learn about many fun-filled scientific instruments and the reasons for their functioning. We also experienced the Solar System and some scientific experiments in a 3-D Show. We had to pause for a delicious meal at Aaryas and later proceeded our venture once again, with no tiredness at all. Next up, we visited the Vellore Fort. The tourist spot, being a picturesque Fort, made us capture more pictures than usual. Not only did we capture images, we also captured unforgettable memories. We also visited the adjoining Jalakandeshwar Temple and admired the beautiful architecture of the temple built by our ancient Indians. We then had a glance at the Government Museum of Vellore, and saw the remains of many animals and witnessed the cultures of our country such as clothes worn by a variety of tribes, weapons used etc. Last but not at all least, we visited the prominent prestige of Vellore The Golden Temple. The scenic view and radiation that we experienced cannot be expressed in words. The pure golden structure made our hearts pure too, after worshipping Sri Lakshmi Devi. In a nutshell, the whole trip was extremely joyful and adventurous, and most importantly, the tour aided us in learning so many important things. I, on behalf of all the students who were present in this fabulous tour, would like to convey our heartfelt thanks to our school for making us enjoy ourselves to the core!

# The Investiture Ceremony for Scouts & Guides

The investiture ceremony is one of the most momentous occasions for the Scouts and Guides. The investiture ceremony is the time when Scout / Guide, by means of the word Scout / Guide promise, publicly announces their commitment to the Scout / Guide Law. At the ceremony Scout / Guide make the promise to their troop and to all the Scouts of the world. It is once the candidate has made the promise that he / she is a Scout / Guide. Investiture Ceremony was organized for Scouts and Guides by the respective unit leaders during their sessions. Unit leaders honored the students with scarf and woggle after they made the promise to the troop.
