

# REPORT OF AWIM –SKIMMER, JET TOY & GLIDER CHALLENGE

A World in Motion (AWIM), a teacher-administered, volunteer-assisted programme that brings science, technology, engineering and mathematics (STEM) education to life for students in Grades V, VI & VII was held at the Mahindra Research Valley in Chennai on Saturday, 16 November 2019 with an aim to nurture an interest in automobiles at a very young age. The event was organised under the umbrella of SAE India. They comprise Skimmer Challenge Jet Toy Challenge and Glider challenge

We are very glad to announce that students from Lightworkers Academy had participated for 11<sup>th</sup> AWIM Skimmer, Jet Toy & Glider challenges, and won in Skimmer category and also qualified for national level and winner in aesthetics for Jet Toy challenge.
