FROM OUR PRINCIPAL'S DESK

Dear LWA family,

As we celebrated Gandhi Jayanthi, Unity Day and Shramdaan activities were carried out as a part of the Clean India (Swatch Bharat) drive and a unity run and class wise activities were conducted. Aayudha Pooja and Vijayadashami were celebrated with great enthusiasm and vigor. The beautiful display of the School golu and special assembly and programs were the highlights. Wishing all a very happy and blissful Diwali .

Dear readers, do enjoy reading our October newsletter and get an insight into our happenings!!

-Ms.Santhi Swaminathan

CREATIVE CORNER

SWACHHATA PAKHWADA 2023

"Cleanliness is the first step towards development and progress. Let's make India a clean and prosperous nation."

"Clean streets, clean homes, clean hearts. Let's keep India clean, inside-out."

To emphasize the vital role of the schools in spreading the awareness about Swachhata Mission and its implementation around the country, an interactive session was conducted by the students of the Indian Institute of Technology, Design and Manufacturing (IITDM), Kancheepuram on Saturday, 30th September 2023, in which the students of class VI and VII participated along with a team of four teachers. Our students came forward and presented their views with great zeal and enthusiasm.

Topics of Discussion:

1.Sustainable development:

(i)Green Buildings: Green Building is a concept of constructing high-performance structures that have no negative impacts on the environment throughout the project's life cycle.

Environmental Benefits

- Protect and enhance the biodiversity and ecological system.
- Reduces the wastage of water and energy.
- Improves air and water quality and promotes a healthy lifestyle.
- Preserve and maintain the existing environment and promote a psychologically-optimized environment.

(ii)Renewable Energy: Renewable energy is energy that is derived from a natural source instead of a source that causes further environmental damage.

•One of the biggest, if not the most appealing, benefits of using renewable energy is that it can help reduce greenhouse gas emissions in the atmosphere and ultimately, help reduce climate change.

2.Water, sanitation and hygiene:

•Sustainable sanitation (construction of toilets).

•Wastewater treatment.

•Solid Waste Management.

•Keeping our hands clean is one of the most fundamental steps to avoid spreading germs and keeping healthy because hands are the most exposed part of one's body.

There was also an outdoor cleaning activity held, where the students actively participated in the cleanliness of the surroundings by picking up wrappers, papers, dry leaves, etc. from the campus and disposing of them in proper ways (biodegradable/non-biodegradable) segregation methods.

SHRAMDAAN FOR SWACHHATA 2023

A **"Swachhata Pakhwada"** campaign was launched to emphasize on promoting harmony in the community and safe and appropriate hygiene practices and behaviour among society.

Objectives of the Swachhata Pakhwada were:

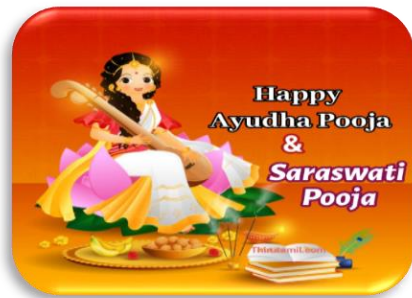

- To contribute towards creating a healthy and harmonious atmosphere in the State, especially for children.
- To spread awareness on sanitation and its impact on quality of life, health and education through schools and students, leading to communities.
- To contribute towards improving public health by improving sanitation.
- To promote social harmony among society by behavioural approaches of mutual obligations and human values.

Children are most impressionable at a young age and if healthy habits and positive thoughts are inculcated early in them, they also pass it on to their families and community. With this objective, **LIGHTWORKERS ACADEMY, CHENNAI** observed **"SHRAMDAAN FOR SWACHHATA"** on 1st October 2023. The children across the classes participated in an hour-long **Shramdaan activity** with smiling faces and great enthusiasm. The children were engaged in cleaning up the school premises. They also promised wholeheartedly to do their best to keep their community clean and hygienic.

AYUDHA POOJA CELEBRATION @ LWA

LWA Celebrated Ayudha Pooja on 21st October, 2023 in our school premises. Our Principal, Ms. Santhi Swaminathan, teachers and non – teaching staffs came together to pray for the **safety** and **wellness** of all. The celebration ended by serving prasada to the staffs and workers. Let's pray that the blessings of **Maa Saraswati** always remain with us and bestow us with wisdom.

GOLU CELEBRATION @ LWA

Class Prep, celebrated Golu for the academic year 2023. All the students from Nursery to Class XII and teachers, contributed good collection of idols, dolls which was delightful and blessed from the almighty of God. The Golu tradition doesn't just display dolls; it brings forth an artistic symphony, creating unique and creative perspectives with themes that vary from epic sagas to rural life. Navratri is celebrated in different parts of India in different ways and names. But the underlying meaning and the message is same for all- "**it's the triumph of good over devil**".

“DUSSEHRA” SPECIAL ASSEMBLY CLASS VI B

Lightworkers Academy celebrated "Dussehra" Special Assembly on 13th October 2023 at LWA hall. Students of class VI B had delivered passages in English, Tamil and Hindi about the significance of celebrating Dussehra, Navaratri and Vijayadashmi. They amazed the audience with their performance about Mahadurga's victory over Mahishasura through dance drama. Our Principal Mrs.Santhi Swaminathan addressed the gathering and appreciated the visual performance of students and values of celebrating the festival.

FESTIVAL CELEBRATIONS

Lightworkers Academy, Chennai

The school celebrated 'Dussehra'. Students of class 6 delivered passages in English, Tamil and Hindi about the significance of celebrating Dussehra, Navaratri and Vijayadashmi. They performed Mahadurga's victory over Mahishasura through dance drama. Principal Santhi Swaminathan appreciated the performance of students and values of celebrating the festival.

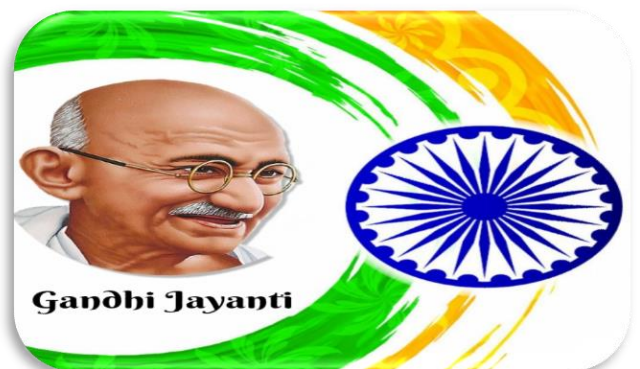

“GANDHI JAYANTHI” CELEBRATION

Students of class VII-B conducted an awareness program “Swachhata Samachar” on account of Gandhi Jayanthi. Students visited an Anganwadi, near to Lightworkers Academy and gave awareness to the kids regarding personal hygiene. Our students gifted toys for the kids, entertained them with a dance and cleaned the Anganwadi premises. Students enjoyed and felt themselves as responsible citizens for the society.

“GANDHI JAYANTHI” SPECIAL ASSEMBLY CLASS VII-B

On 2nd October every year, Mohandas Karamchand Gandhi's Birth anniversary, known as Gandhi Jayanthi is celebrated all over India. This day provides an excellent chance for countrymen to pay tribute to this great leader, who gave his life for the country's benefit. Mohandas Karamchand Gandhi is widely recognized as one of the twentieth century's greatest political and spiritual leaders. To remark on his remembrance, students of class VII – B held a special assembly on Gandhi Jayanthi. Passages in English, Tamil and Hindi were delivered by the students. Patriotic song and dance were performed by the students. On this day, his 154th birth anniversary was celebrated.

PRESTIGIOUS AWARDS

Lakshyam Educare has been doing a lot of services in the field of education for more than a decade. It is really a privilege to know about Dr.Rajini, Founder of Lakshyam Educare, the driving force with a lot of titles and achievements in various fields from the State to the Central Government. For the Academic year 2023- 2024, Lakshyam Educare selected skillful teachers across Tamilnadu and presented them with 'Best Teacher' Awards. From LWA, **Mrs Padmashree** received the '**Best Teacher**' Award from Dr Hende (former health minister who is 96) and former vice Chancellor of Anna University on 17th September 2023.

Every year Chennai Sahodaya schools Complex is awarding "**Shiksha mani**" to the deserving teachers from the schools associated with CSSC. The principals of the associated schools attended the meeting conducted by CSSC and the awards have been handed over to the respective school Principals. In LWA Mrs.Padmashree was selected for the award and our Principal Mrs. Santhi Swaminathan presented the Best Teacher award "**ACHARYA MANI**" given by CSSC to her and honoured her with a shield.

Chennai Sahodaya schools complex best teacher award "**ACHARYA MANI**" was received by Mrs.J Padmashree.

Zone 6 Peripheral cluster (A unit of CSSC) has started it's first Teachers' day award function at PSBB millennium school on 27th October 2023 for the teachers **with long service** in the present school as well as **long service in teaching career**. Dr. Mohana has been consented as a chief guest and honoured Mrs.J.Padmashree with a memento shield.

TRITIYA SOPAN TESTING CAMP

Guides and students of class IX of LWA attended the "Triya Sopan testing camp". It is a matter of immense pride for the students **Suvetha, Janani and Yudhanya** have completed successfully the Triya Sopan testing camp conducted at JRK Global school, JRK nagar, Maraimalai Nagar, Tamil Nadu 603203 from 19th October 2023 and 20th October 2023. We extend our heartiest thanks for the generous support given by our Principal for this camp, a grand success and an ever memorable event.

UNITY DAY RALLY (CLASS VI TO IX)

The birth anniversary of **Sardar Vallabhbhai Patel**, the architect of integration of independent India is observed as **Rashtriya Ekta Diwas (National Unity Day)** on 31st October every year. To mark this occasion, the students of LWA undertook a unity run. After taking the pledge, the students went for a **rally** from school campus to **UNIHOMES phase 1** raising the slogans on unity. This occasion aims to foster and reinforce their commitment towards strengthening unity, integrity and security of the Nation.

QUIZ

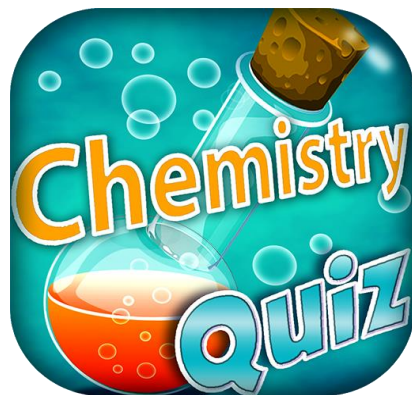

WILD LIFE WISDOM (WWFC) 2023

Vetrivelan of VII-A and **Lokesh Kalbi of IX-A** participated in Wildlife Wisdom (WWF) city challenge Quiz held in Sri Sankara Vidhyalaya, Thiruvannamiyur on 27th October. Around 71 schools participated. The theme for this year was **BIRDS**, Preliminary pen - paper test was held and the qualifiers competed in the LIVE Quiz which had 5 rounds like Visual, Audio based etc. The children thoroughly enjoyed the program and they felt that they had rich knowledge on Birds.

CHEMISTRY QUIZ @ SRM

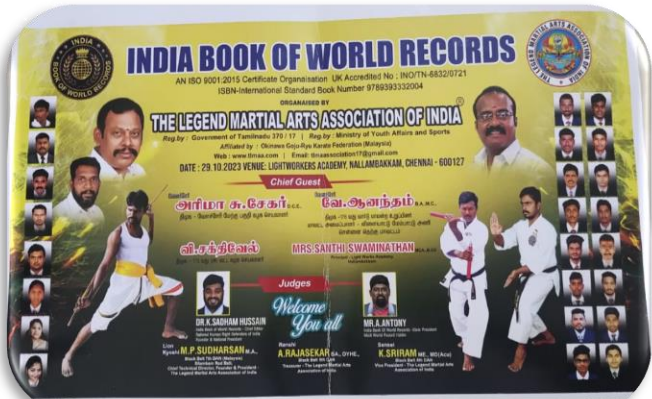

Our school students **Harjeet, Pranav Karthik of class XII** and **Sivaani, Joshua Danni of class XI** participated in the Quiz Competition on General Chemistry organized by the Department of Chemistry, **SRM Institute of Science and Technology**, Kattankulathur, 7th October 2023. Students from more than 25 schools participated in the preliminary level of the quiz competition. Including our school students, 10 schools got selected for the main competition. In the main competition, our students performed spectacularly well and won the **first Prize**.

INDIA BOOK OF WORLD RECORDS

A Mega event **"India Book of world Records"** was organized by **"The Legend Martial Arts Association of India"** which was held at **our LWA School** premises. The Judges were **Mr.M.P.Sadham Hussain**, India Book of World Records – Chief Editor, National Human Rights Defenders of India Founder and National President and **Mr.A.Antony**, India Book of World Records –State President, Multi World Record Holder. Over 250 students from various schools have participated and performed **non-stop karate** for three hours. **Our LWA students** also showed their active participation and received Trophies, Medals and Certificates.

Water - Poem

Never drank something so sweet
 Never knew we are ruled by you!
 Never heard my English teacher ~~friend~~
 you correct
 Never saw anything this much dangerous
 Never saw something so important!
 Never tasted something not made in
 which
 Never saw something that gives its
 save us! While we give our everything
 to pollute it!
 When Teacher asks why we drink
 water? - answers the rebel because
 can't eat you

who are you???

Poem

Water - P-1

- Sharvesh

When ever I lift him he ~~flows~~ ^{goes} out of
 I don't know ~~who~~ why he don't have
 if he is he ~~shapeless~~?
 till he is important for all of us.
 e is ~~it~~ covers almost the earth
 will not good in my hand.
 e is so ~~dangerous~~ dangerous.
 it is important for all of us

Poem Water

A drop of water is a drop
 of life.

It gives us a hand for
 doing morning routine day
 day chores.

Saving water saves our
 future

Let us stand together
 to make this world
 better by saving
 water

Clean water makes
 brighter

Not having a shape
 but shapes our earth

Air
 vital for every one. It
 is no fire with
 is 0°. How
 a rich air find who
 water
 very important for
 am coming to
 sky. my chance
 who I am?
 water

Poem (On Water)

Feel like water:

When you want life better
Feel yourself like water.
Water is colourless, shapeless, odourless
Its how our mind looks too
But when we are confused
We don't know what to do

Water flows through every place
Shows what's we do in case
Water shape-shifts in every place
That feels like our attitude

Water is used everywhere
Shows how our mind used to be
We should be like water
Like useful to all...

Water makes you cool
Can also make you fool
That is what to do
With your friend in the swimming pool

Make everyone feel you like water
Can't live anymore with you
So if you wanna make your life better
Feel like water.

Poem

Who is it?

The alarm rings at 6
The morning starts with you...
The activities I do
Come from you!

Started my journey to school
and a side eye from a person
who, the bus wheels of the bus
splashed a bunch of water
in the dress of a bald man

Enter the school
Bell rings...
After a sleepy math class
I always search for you...

I reach my home
Play with you
And who is it

➔ WATER!

Sanjana
VII - B

Water

Water is a element what we use
Without water we cannot grow a
Water cannot be eaten nor be seen
It is very very light so we can?

Water is blue
But it can be clear
Water is bright
It can be in sight

A child needs water till life to d
or I can't have any breath
A rich or poor man needs water
or his life will be in torture

- Itul B

Air

- Anon Taky

1. As I walk along the shore,
Some one gently touched me!
Did someone touch me or not?
Then I discover it is the sea

2. The water from sea
Has touched my feet gracefully
I was sinking into the mud
For a few second swiftly

3. To my surprise, on the shore,
Water had left many, many, ~~present~~ things
Near ~~me~~ From far away to near my feet,
Lots of shells and shiny things

4. ~~Oh~~ Oh, water! You quench my thirst
You ^{make} me feel fresh!
As I was praising the legendary waters,
You on me something gently brushed

5. I find the wind, though invisible,
That sailed from the north,
Only to meet me
But why come from north?
