# ART EXHIBITION

Class VII

We, the students of Class 7, were given an opportunity to showcase our artistic talents through an art exhibition conducted on Aug 25, 2022. In the exhibition, we displayed various forms of artworks like origamis, shading works, paintings and glass paintings. All our schoolmates, teachers and Principal Ma'am visited the exhibition. They were pleased to see our brilliant and diverse collection of art forms. We too were very happy to view our classmates' works. All students were acknowledged for their enthusiastic participation and sincere efforts. Everyone's work was filled with creativity and talent. Akshita was named the best performer of the event. Senthamil was recognized for the creativity in his works.

Swaminathan was appreciated for his perfection in coloring and Srinidhi for her perfection in shading.

Roshini, Sanyogitha and myself (V Riya) were praised for giving the best expressions in our drawings.

"Every child is an artist. The problem is how to remain an artist once he grows up" - Pablo Picasso

"Not everyone can become a great artist, but a great artist can come from anywhere" - Ratatouille

# INDEPENDENCE DAY CELEBRATION

LWA Chennai celebrated 75th Independence Day, which is themed as 75th "Azadi Ka Amrit Mahotsav" with great enthusiasm and zeal on 15th August 2022. On this special occasion the programme started with the flag hoisting by the Principal Mrs. Santhi Swaminathan. The principal addressed the gathering to realize, understand and cherish our coveted freedom and work towards a progressive nation. She extended her warm greetings to the students, teachers and the parents on the occasion. This was followed by a musical rendition by the school choir which sang patriotic songs that awakened everyone's feelings towards the motherland. The guest of honour Mr. Kallathiyar, Retired Assistant Professor (Tamil), Government Arts College, Madurai also shared his views and gave a message that we have to become good citizens of India. He also emphasized the role of youth today as the true wealth of a county. The day came to an end with the distribution of sweets to all our students, parents and staff members.

# BIO MEDICAL ENGG DEPT FIELD VISIT

An exciting field visit was arranged to SRM university bio medical engineering department for the biology lovers of light workers academy on 24th August 2022. All the students of class 10 and 9 and the biology students of class 12 and 11 went for the field visit. Team LWA started from the school by 9 AM and reached SRM University by 9.50 am. The department students welcomed our school students with chocolates and a brief session was organized explaining about the course, placements, career aspects and alumni of the college. This was followed by an interesting quiz for the students and a photo session. Later, the students of LWA grouped into three different groups and went for the department lab visit. Each group was accompanied by a student volunteer. This session was very interesting for the students as they got chance to see and explore different equipment used in biomedical field. M Tech students of biomedical engineering department explained the working of each instruments. Following are some of the medical equipment:

- Body composition analyser
- Electro surgical diathermy
- EEG
- Sphygmomanometer
- Thermal camera

The lab visit was followed by a lunch arranged by biomedical engineering department.

There was another interesting quiz session for the students post lunch. This quiz session was about all the departments and machines displayed during lab visit. The following students secured prizes during the quiz session. Lakshitha Yazhni, J. Mukund, Santhosh Kumar V (class 12), Harjeeth, Royam Adhira (class 11), Livie Rodriguez, Sai Amritha , Akshitha, Tamil Selvan (class 10), Thanusha, Tharun, Samyuktha, Nishitha, Annapoorni ( class 9). The field visit came to an end with the prize distribution.

The field visit helped the students to create more awareness about the scopes of the particular course and it also helped the students to inculcate more love and interest towards subject Biology.

# INTER SCHOOL COMPETITION

LWA students participated in the Inter-school competition " VIDYUVA-2022" conducted on 30 July 2022. Various competitions were held and many schools participated in the competitions and the Students of Lightworkers Academy bagged many prizes.

Ramp walk - 1st place

# RAKSHA BANDHAN SPECIAL ASSEMBLY

India is a land of diverse cultures and heritages. This is a nation which celebrates each and every occasion and each and every relationship possible. One such relationship that we Indians admire and celebrate every year is of siblings bond. Raksha Bandhan means "bond of protection." It comes from the Sanskrit word rakhi, a type of bracelet or amulet made out of thread, that sisters tie around their brother's wrists in gratitude for protecting them.

The students of class III-B conducted their special assembly on 17th August 2022. Assembly commenced with the Prayer song which is believed to provide peace and serenity to our minds and souls. It was followed by the speeches in English, Tamil and Hindi - the students expressed about the importance of celebrating Raksha Bandhan. A thought for the day was rendered which was preceded by Thirukkural and News reading. Students exhibited lovely dance performance on Raksha Bandhan. On the day of Raksha Bandhan the sister prepares a pooja thali. The pooja thali consists of kumkum, Diya, sweets, and Rakhi. Sisters tie Rakhi on their brother's wrist and apply tikka on their forehead. This occasion was expressed by the tiny tots with their mesmerizing dance performance. The charts and posters were displayed by the students showing the importance of Rakhi.

Our Principal addressed the students with her encouraging words. Raksha Bandhan holds a lot of significance to everyone who celebrates the festival. The central concept of Raksha Bandhan is protection. It is a festival where sisters pray for God to protect their brothers and brothers vow to protect their sisters.

**Class III B**

# MATH LAB ACTIVITIES

Class IV & V

Math Lab activity was conducted on Saturday (27.08.22) for the students of class IV A and B as part of the academic lab activity on the Topic, Japanese multiplication trick using coloured strips.

They did 2-digit multiplication in Japanese method using coloured strips. The children were asked to bring 2 A4 sheets, 2 coloured A4 sheets, scissors and glue. All children took part in the activity and they enjoyed and also learned multiplication in short cut way.

Class V A and V B did lab activity on the topic HCF using Cuisenaire strip. Teachers took the children to the Math lab and given a box of strips to 5 group, each consisting of 4/5 children maximum in each section.

Teachers gave demo on how to find HCF of two numbers and asked children to solve 6 sums on HCF the same way. All children took part in the activity and found HCF of two numbers.

Children learned the Math concepts very quickly and also found it interesting

# INDIAN AIRFORCE EXHIBITION

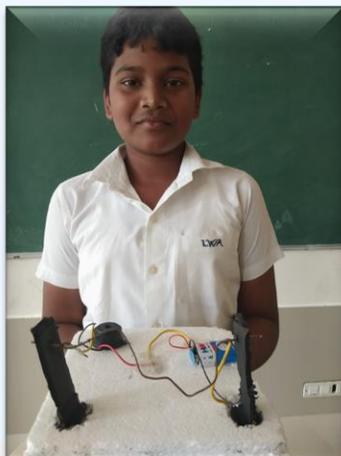

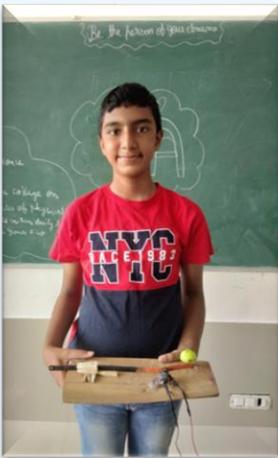

Indian Air Force Publicity Exhibition Vehicle based on a Volvo bus platform with a flying simulator and other gadgets visited IIITDM Kancheepuram on 30 Aug, 2022 from 9:00 AM to 5:00 PM. In addition to the exhibition vehicle visit, an interactive session was also arranged with the IAF team of office for the benefit of various recruitment avenues in the Indian Air Force. Students of class 11 and 12 along with 2 teachers attended the session. History about the birth and growth of the Indian Airforce (5 generations) were explained. Various wars and operations/missions were also explained. It was very informative for the students to gain knowledge. This educational tour satisfied by feeding the hungry brain with valuable information of our Nation's Airforce.

# GANESH CHATURTHI SPECIAL ASSEMBLY

Festivals build group cohesiveness. Festivals inform, educate, bring people together, break the monotony of routine and give us a chance to reenergize our body, mind and spirit. Of all festivals Ganesh Chaturthi is the most colourful and enjoyable festival. It is celebrated with much fervour and joy.

Our LWA Ganesh Chaturthi celebrations began with speech, story about Ganesha, mind blowing song and phenomenal dance performance by the little blooming buds of class 3A. The graceful expressions given by the kids singing devotional song were really breath-taking and won the hearts of the audience. There was devotion, creativity and fun altogether.

The kids highlighted that the true essence of Ganesh Chaturthi lies in the fact that the devotees worship Ganesha to rid their lives of all the sins and substitute them with knowledge and wisdom.

# JANMASHTAMI SPECIAL ASSEMBLY

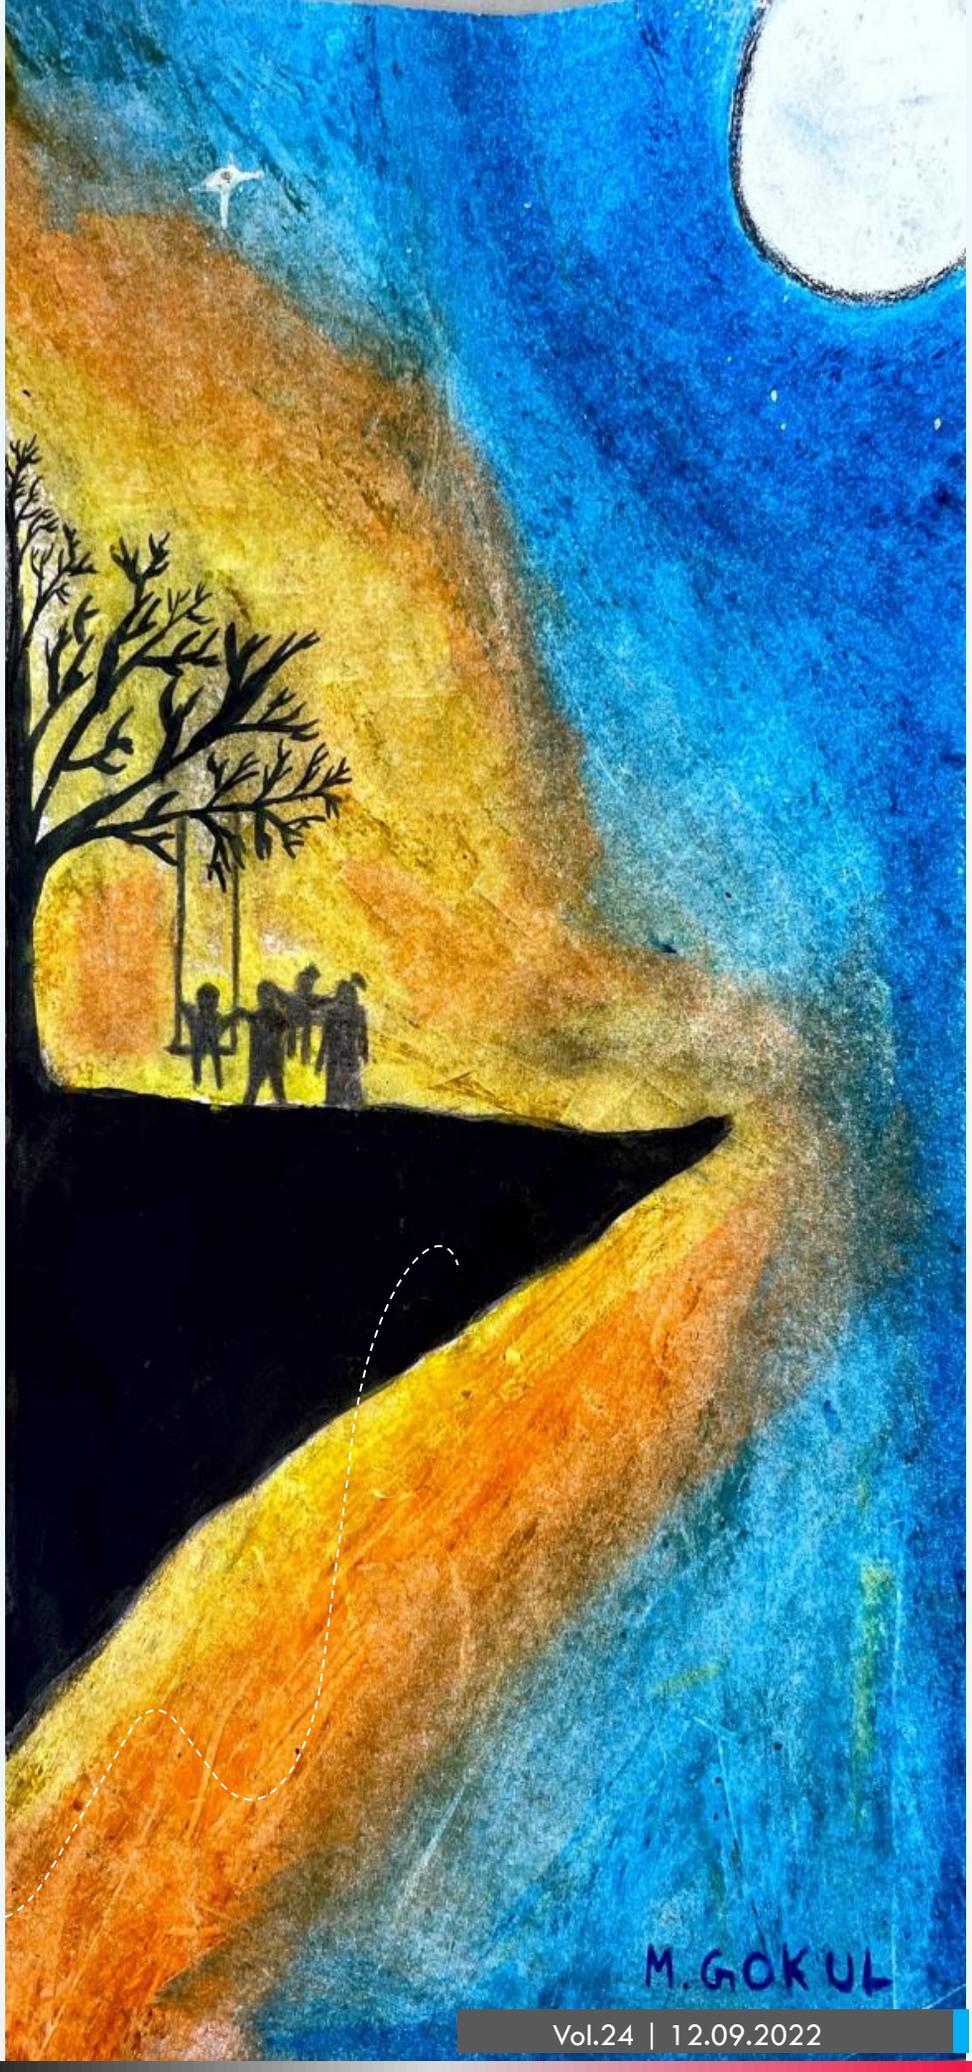

Class I

The Janmashtami Special Assembly by the students of Class I commenced with the morning prayer followed by speeches in English, Tamil, Hindi and the story of Lord Krishna. A thought for the day was rendered which was proceeded by Thirukural and News reading. The tiny tots performed a wonderful dance on the theme Janmashtami. The assembly culminated with scripture reading followed by the National Anthem.

# Thank You

M. GOKUL
