# FROM OUR PRINCIPAL'S DESK

**Dear LWA family,**

July was jubilant for our School as our students Dharnish and Rithvikanth participated in the U14, football championship at Sweden. The new Student council took oath and assumed their responsibility in the investiture ceremony. Scouts and guides, cubs and bulbuls flagged off their camp activities. Our students won laurels in the inter school French competitions and YES competitions at IIT. The video lab was formally inaugurated and students have got a head start with the art integrated video making projects. Dear readers, as you enjoy our July's newsletter, do mark the date of Saturday, September 16, 2023, as the entire LWA family gears up to celebrate our decennial year.

**-Ms.Santhi Swaminathan**

# Investiture Ceremony 2023-2024

The Investiture Ceremony was held on 17<sup>th</sup> July, 2023 at Lightworkers Academy to encourage and kindle leadership qualities in our young prodigies of our school for the year 2023-2024. The event started devotionally with a beautiful prayer song by Vinisha of class IX and Annapoorani of class X and the dynamic welcome dance by Sahana and Varsha of class X which spell bound the audience and enhanced the vibrance of the event.

Newly formed Council – Head Boy, Head Girl and Assistant School Pupil Leader along with Sports Captains, Vice Sports Captain, Activity Captain, Vice Activity Captain, House Captains, Vice House Captains were honoured by our respected Principal, **Ms. Santhi Swaminathan** along with the Chief Guest, **Ms. Nidhi Shajil, Principal of Jagannath Vidyalaya** by giving them badges and sashes. Our chief guest administered the oath of allegiance to the newly appointed Board of Students' Council, who swore to serve school with utmost sincerity and to the best of their abilities. She then congratulated the newly elected Students' Council.

The zeal of the council was reflected in their confidence and dedication to execute their work. The event was concluded by a vote of thanks by Livya of class XI followed by National Anthem. We had Keerthi and Anukeerthana of class X and XI respectively to host the event successfully.

# Participation at World Youth Football Cup 2023

“We departed from Chennai on July 16<sup>th</sup> to Delhi and from there to Denmark we reached Denmark the next day. We played our first match against Germany team JSG Achim -Wesen as it was our first match in the tournament we really lacked in communication with new teammates. On the next day we played our second match against Sweden team - GamelStads IF. We nearly scored a goal in the second minute but at the end it was declared offset by the referee. But the whole match was very tough as we were equal to our opposition team. On the third day we played match against another Sweden team IF Vaster and got qualified to the next round – Round 36 where 36 countries play against each other to qualify for the quarter finals stage. Fourth day we played against the Italian team POZZUOLO CALCIO 2 in which we were not allowed many great chance. We had in the excuse of offside and that match disappointed as the most. We got family with the city we stayed in and the people are so amicable. We had bread yogurt cereals salad for breakfast. Pasta noodles rice pork for lunch and for dinner we had chicken sausage, rice, turkey chicken gravy. We explored an island which located near Gothenburg and the artistic streets of the island. Finally we returned back to India on 26<sup>th</sup> July. We are so happy and feeling honoured that we represented our country”.

- Rithvikanth and Dharnish ( Class IX )

# xQ Video lab Inauguration @ LWA

The Inaugural ceremony of the xQ Video lab was a huge success. The launch took place at the school Art & Craft room on 28<sup>th</sup> July 2023 at 11:10 a.m. We invited the parents, teachers, students and the xQ Video lab team and the event kicked-off with the Ribbon-cutting and welcome address by our **beloved Principal**. After the launch, we had an interactive Video session on Stop Motion Animation by our xQ Video lab team. The Students and the Parents were excited about the inclusion of Art Integration through Video Creation in the curriculum. The Video session was followed by a hands-on video activity for the students of VIII A & VIII B at the xQ Video lab. The Video lab is well-equipped with High resolution Smartphones, Gorilla Tripods, Green-screen setup, Lavalier Microphones, Digitek Mobile Tripods etc. The students were thrilled to learn new technology and overjoyed with an amazing experience of creating Stop Motion Animation Videos. We thank our beloved Principal for her tenacious efforts to implement Art Integration as a part of the Academic Curriculum by which the Students will be able to explore innovative and effective ways of learning the subject concepts, in-turn which will help them to establish their educational goals and come-off with flying colours.

## Restart of LWA FM from July 2023

**"Our greatest natural resource is the minds of our children".**

Children have many hidden talents in them. In our School we are trying to bring out their individual talents through our LWA FM. Keep your ears tuned on every thursday @ 4.30 pm for awesome songs, amazing facts, melodious music, delicious recipes, fantastic stories etc...

# Few Snap shots of Annual Day Preparations

**“DASAMAYA – Sep 16 2023”**

# Annual Day Preparations

WORKSHOP

COMPETITION

# Cubs and Bulbuls one day workshop

It was a good journey along with cubs and bulbul students to join Bhagat Singh Scout group held at "Alandur Nithi School". The programme started with Flag Hoisting and a prayer song. Cubs and bulbul greeting was done. Later many activities were conducted in different places in the same campus. Woggle and points score card were given to the cubs and bulbul students. Children who participated in the activities were needed to enter signature of the concerned activity authority. All cubs and Bulbuls children participated in all the activities and enjoyed the day. The activities such as drawing and colouring, hopping, ,ice cream stick designing, writing slogan, skipping ,finding ball without touching , closing children eyes and passing the ball in zigzag lines were conducted. Animals were drawn on the board without tails and children must draw tails to the animals etc. All these activities were conducted for the children to learn and enjoy. Promise, law and motto was taught. Finally the workshop was closed by cutting cake and distributing medals and certificates. It was a very good experience to all the cubs and bulbuls students of Lightworkers Academy.

## TRITIYA SOPAN Training Camp

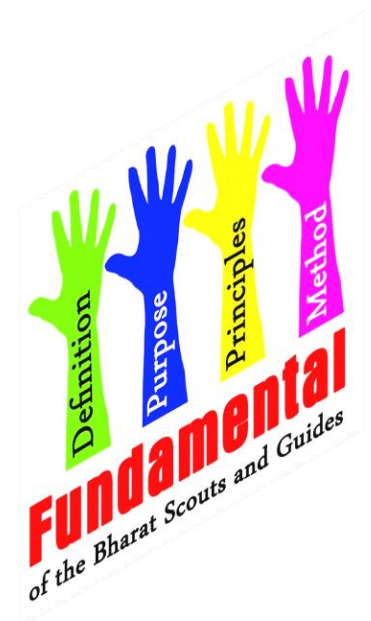

TRITIYA SOPAN is the leadoff for the prestigious "Rajyapuraskar award". The Bharat scouts and guides, Pallava Mandalam district has organized an overnight Tritiya Sopan training camp from 21<sup>st</sup> July to 22<sup>nd</sup> July in Triveni Academy. Sr.Sec School, Singaperumal koil. A scout / guide is eligible for this training on completion of 12 years of age. We are glad to promulgate that 3 guides S.SUVETHA, R.YUDHANYA, R.JANANI of class IX and a scout NITHIN.J of class VIII have participated in this training camp accompanied by the scout masters Mr.B.Karuvalagan and Ms. H.Malini. During this camp, the participants had training from Pravesh to Tritiya Sopan oral and practical test and also Flag Break, B.P.Six exercises, Knots, Lashings and Grand Campfire.

# Overnight Scouts and Guides Camp

LWA Scouts and Guides of class V to VIII had an overnight camp in A J.S Nidhi Hr.sec. school Alandur, from 29<sup>th</sup> to 30<sup>th</sup> July 2023. It was a great learning to the children. They enjoyed over all activities and participated in this training camp accompanied by the scout masters Mr.B.Karuvalagan and Guide Master Ms. Rani. During this camp, the participants had training for Flag song, prayer song, Promise, Scouts and Guide 9 law. Also about Flag Break, B.P.Six exercises, Knots, Lashings and Grand Campfire.

# Enviro' 2023 conducted by IWMA and SOF

Students of LWA have participated in Enviro' 2023 conducted by IWMA and SOF on July 29<sup>th</sup> & 30<sup>th</sup> 2023 at IIT Madras. The competition comprises of two rounds: The preliminary and the final round. The following students have shortlisted for the competition.

|                          |                       |                   |
|--------------------------|-----------------------|-------------------|
| Class 5- Chirayu V Ghone | Junior Category       | Just a Minute     |
| Class 6-Malarvizhi       | Middle category       | Best out of waste |
| Class 9-Prashansa        | Senior Category       | Pencil Sketching  |
| Class 11-Linneysha       | Super senior category | Poster designing  |

Malarvizhi of class VI got selected for the final round which was held on 30<sup>th</sup> July 2023 and she won a special prize and cash award. All the students got the participation certificate. IWMA & SOF arranged a workshop for the teachers .The Program started with the inauguration of “Young Environmental Scientist” (YES 2023-2024) by the Chief Guest Dr.Daniel Chellapa-The Eminent Nuclear Scientist, Chennai. Mrs.Fayiza and Mrs.Meena , Science teachers of LWA have attended a highly informative workshop on the detrimental impacts of solid waste and its effective management. This workshop proved to be an enriching experience for both students and teachers alike, providing valuable insights into sustainable waste management practices. The knowledge gained from this event will undoubtedly benefit not only the students but also empower our esteemed teachers to create a greener future within our educational community.

# French Competition @ Budding minds International School

In commemoration of the French National Celebration which falls on July 14<sup>th</sup>, Budding Minds International School Manimangalam had hosted LA Fete 2023, a two day event promoting French Language. A series of contests viz Skit , choir, poster making, word pool, quiz, Cooking without fire etc were organized by the school. The students of LWA enthusiastically participated in all the events and bagged several prizes too. Our school also received the **OVERALL CHAMPIONSHIP TROPHY** for winning maximum number of prizes.

**3rd prize in the word pool (Shrish)**

**2nd prize cooking with out fire (Malarvizhi-Jr)**

**2nd prize in Fashion show (Prathiksha)**

**3rd prize in content writing (Isabella-Sr)**

# Activities

# ECO Club – SEWA activity – Class IX and X

**"Every day is a great day to learn something".**

There is an urgent need to foster strong mental and social health amongst today's children so that they can connect with their community well. SEWA (Social Empowerment through Work education & Action) activity aims to develop a whole new person in their personal, social and intellectual growth. Students of class IX & X were thankful for this opportunity that has been provided by our school to participate in this project. First they had to brainstorm on the area, divide the work to clean the garden and procure the tools required. It made them feel a change in their attitude, and improvement in their definition of life skills, and social values. Students had so much fun plucking out the weeds and disposing it with rakes. This activity brought their classmates together.

**Social Empowerment through Work  
Education and Action**

# Red Day Celebration - Nursery

Children of class Nursery celebrated red day with lots of fun, play and activities .Introduced rhymes on colour red.Displayed red colour objects. Children brought their different red colour toys from home. Classroom was decorated with red .All the students and teachers were dressed in colour red. Colouring and painting activity on Clifford the red big dog was done by children in the class. It was a great day celebration .Children carried home red strawberry take away with lots of joy and fun.

# Green Day Celebration – Class Preparatory

Class Prep celebrated Green day on 20<sup>th</sup> July 2023, thursday. Children dressed up in green colour dress and brought green colour toys. Parents also donated plants and trees to the school during this occasion. Parents and grand parents were invited to plant saplings in our school garden. It was a great and Joyous green day. Children learnt to save nature and also about the importance of the planting trees , which they help in our day to life.

# Fruits and vegetables Day – Class I

Students of class I celebrated fruits and vegetables Day with enthusiasm on July 14<sup>th</sup> 2023. Aimed at inculcating good healthy food habits among the young ones right from the beginning. The students also explained the importance of different fruits and vegetables for healthy growth and protection from diseases. The students also displayed charts and explained the nutrients available in various fruits and vegetables. The tiny tots were asked to bring the fruits and vegetables for snacks and they enjoyed their break time. It was a fruitful day for the children indeed to identify the colour and the name of the vegetables and how they help to improve their immune system and growth. Thus all of us enjoyed the day to the fullest.

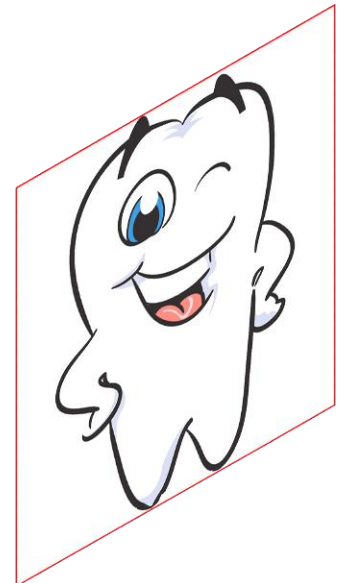

# Teeth Model Activity – Class IV

The Teeth Model Activity for Class IV specifically to make the students learn about dental health and oral hygiene. The model allows students to explore the different parts of the teeth, such as the enamel, dentine, pulp, and gums. Students can gain a deeper understanding of tooth structure and function by this activity. The colorful design of the Teeth Model captures children's attention while effectively conveying important dental health concepts. It serves as an excellent visual aid during lessons or presentations. The model encourages creativity by allowing students to customize their own teeth models using non-toxic paints or markers. This hands-on activity promotes artistic expression while reinforcing knowledge about oral health. We believe that learning should be both educational and enjoyable. By incorporating the Activity Teeth Model, we will help our students develop a lifelong understanding of dental health while fostering their creativity and critical thinking skills. Happy teaching and joyful learning!

# Group Activity – Social Science – Class VIII

A group activity was assigned to the students of class VIII A on the topic **METHODS OF CONSERVATION OF SOIL**. The students prepared the models on the methods of conservation of soil like **CONTOUR PLOUGHING, TERRACE FARMING, ROCK DAM, SHELTER BELTS**. These models exhibited and explained by them have nurtured the fellow students in enhancing the knowledge about the conservation methods to prevent soil erosion. This model making has provided them an opportunity to have fun-based learning on the subject.
